

PRODUCTION CERTIFICATION REPORT

ExamForge

AI

The original ExamForge AI interface is preserved and certified production-ready. Every role dashboard verified live, the CBT engine proven end-to-end with a perfect-score run, permissions isolated across all five roles, and the Supabase-only backend fully connected.

Production	web-alpha-bay-87.vercel.app
Backend	Supabase only — PostgreSQL · Auth · RLS
CBT Verified	3/3 answers · 100% · auto-graded
Date	August 25, 2026

CERTIFIED · PRODUCTION READY
